PROFESSIONAL SUMMARY

Full Stack Node.js Developer with strong knowledge of **Node.js, Express.js, MongoDB, and REST API development**. Skilled in building backend services, implementing **JWT authentication**, and performing database operations using **Mongoose**. Experienced in API testing using **Postman** and version control using **Git and GitHub**. Familiar with frontend technologies including **HTML, CSS, JavaScript, and React.js basics**.

TECHNICAL SKILLS

Backend: Node.js, Express.js, REST APIs, JWT Authentication, API Integration

Database: MongoDB, Mongoose, CRUD Operations

Frontend: HTML, CSS, JavaScript, React.js (Basics)

Tools: Git, GitHub, Postman

Concepts: MVC Architecture, JSON Handling, Deployment Basics (Render/Heroku)

PROJECTS

AI Resume Analyzer (Full Stack Project)

- Developed a resume screening web application that compares Resume with Job Description.
- Built backend using **Node.js and Express.js** and created REST APIs.
- Implemented **JWT authentication** for secure login and authorization.
- Used **MongoDB and Mongoose** for storing users and analysis reports.
- Integrated Flask AI service to compute match score using **TF-IDF and Cosine Similarity**.
- Added features like report history, delete reports, download PDF reports, and dashboard analytics.
- Implemented search, filter, and sorting for reports and visualized scores using **Chart.js**.

Tech Stack: Node.js, Express.js, MongoDB, Flask, Python, Chart.js

Meme Sharing Web Application

- Built a platform where users can upload memes, view memes, and like memes.
- Developed REST APIs and managed database operations using MongoDB.

- Implemented authentication and tested APIs using Postman.
- Tech Stack:** Node.js, Express.js, MongoDB, HTML, CSS, JavaScript
-

TRAINING / EXPERIENCE

Backend Development Training (Self / Online Practice)

- Learned REST API development using Express.js and Node.js.
 - Practiced MongoDB integration and CRUD operations using Mongoose.
 - Implemented authentication using JWT and tested APIs using Postman.
 - Used Git and GitHub for version control and project management.
-

EDUCATION

Bachelor of Computer Applications (BCA) / B.Tech (Computer Science)

(Your College Name), India | 2022 – 2026

KEYWORDS (ATS MATCH BOOST)

Node.js, Express.js, MongoDB, Mongoose, REST API Development, CRUD Operations, JWT Authentication, API Integration, Postman Testing, Git, GitHub, HTML, CSS, JavaScript, React.js, MVC Architecture, Deployment Basics
